

IRT-45

4G Industrial Router with Wi-Fi, 2 Ethernet Ports and RS-485 Serial Port,

Code: DA0101.

Specifications

DC power supply

Consumption	1,8W
Current	150 mA
Nominal voltage	9-36 VDC
Maximum power	9W

Mechanical characteristics

Size (mm) width x height x depth	824 x 283 x 98.75 (mm)
Envelope	Aluminium alloy
Fastening	DIN Rail
Weight (kg)	1

Environmental characteristics

Protection class	IP30
Working temperature	-20 ... +85 °C

Communication Network

Technology / Interface	RJ45
------------------------	------
