

## STM-H6-F868

STM-H6-F868

Code: E85HA3. DESCATALOGADO

- > Communications: LoRa-868 MHz.
- > Digital inputs: 3
- > Measuring current Channels: 6
- > Measurement Range (A): 6 X 100
- > Power supply (Vac): 24 Vdc
- > Mounting: DIN rail

## Specifications

### Mechanical characteristics

|                                  |                  |
|----------------------------------|------------------|
| Size (mm) width x height x depth | 362 x 114 x (mm) |
|----------------------------------|------------------|
