

## SMMCSC45 600/5

SMMCSC45 600/5, Scale

Code: M126UL.

> Measurement Range (A): 600/5

> Device: MMCS45

## Specifications

### Mechanical characteristics

|                                  |                  |
|----------------------------------|------------------|
| Size (mm) width x height x depth | 39 x 41 x 1 (mm) |
| Weight (kg)                      | 0,002            |
