

## SWT96AN 300/5A 180kW

SWT96AN 300/5A 180kW, Scale

Code: M130LH.

- > System: Three-phase
- > Measurement Range (A): 300/5
- > Full scale: 180 kW
- > Device: WT96AN
- > Modules: 96x96

## Specifications

### Mechanical characteristics

|                                  |                  |
|----------------------------------|------------------|
| Size (mm) width x height x depth | 84 x 84 x 1 (mm) |
| Weight (kg)                      | 0,008            |

### SWM/SWT

Exchangeable scale for wattmeter WMC/WTC

| CODE    | TYPE                  | Measurement Range (A) | Modules | Device | Full scale |
|---------|-----------------------|-----------------------|---------|--------|------------|
