

## SYT96E 150/5A 90 Kvar

SYT96E 150/5A 90 Kvar, Scale

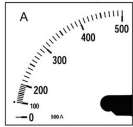

Code: M132KE.

- > System: Three-phase
- > Measurement Range (A): 150/5
- > Full scale: 90 kvar
- > Device: SYT96E
- > Modules: 96x96

## Specifications

### Mechanical characteristics

|                                  |                  |
|----------------------------------|------------------|
| Size (mm) width x height x depth | 84 x 84 x 1 (mm) |
| Weight (kg)                      | 0,008            |
