

## **GETEST Probe**

GETEST Probe, Measurement electrode,

Code: P69928.

## **Specifications**

Size (mm) width x height x depth	126 x 69 x 481.15 (mm)
Envelope	Laminated cellulosic resin
Connection type	Banana type 4 mm
Weight (kg)	3,2
Environmental characteristics Storage temperature	+5 +40 °C
Working temperature	+5 +40 °C
Standards	
Standards  Electrical safety, Maximum height (m)	2000
	2000 CAT II 600V PD3

## **GETEST-accesor**

Accessories for indirect earth contact simulator

CODE	TYPE	Description
P6990A.	Trolley GETEST	Transport trolley GETEST
P69928.	GETEST Probe	Measurement electrode

## **GETEST Probe**

Code: P69928.
