

GETEST Probe

GETEST Probe, Measurement electrode,

Code: P69928.

Specifications

Mechanical characteristics

Size (mm) width x height x depth	126 x 69 x 481.15 (mm)
Envelope	Laminated cellulosic resin
Connection type	Banana type 4 mm
Weight (kg)	3,2

Environmental characteristics

Storage temperature	+5 ... +40 °C
Working temperature	+5 ... +40 °C

Standards

Electrical safety, Maximum height (m)	2000
Electrical safety, Installation category	CAT II 600V PD3
Standards	UNE-EN 61010-031

GETEST-accessor

Accessories for indirect earth contact simulator

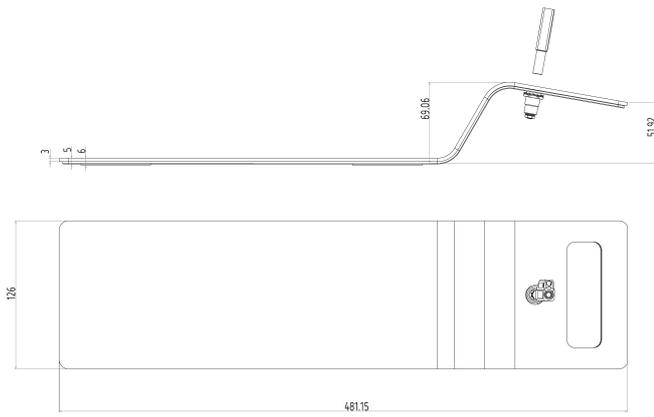

CODE	TYPE	Description
P6990A.	Trolley GETEST	Transport trolley GETEST
P69928.	GETEST Probe	Measurement electrode
