

MyCLAMP BT

MyCLAMP BT, Portable amperimetric clamp with wireless communications for Low Voltage laying (50/60 Hz),

Code: Q31400.

Specifications

Mechanical characteristics

Size (mm) width x height x depth	112 x 182.5 x 38.39 (mm)
Weight (kg)	0,3

MyCLAMP

Portable amperimetric clamp for fraud detection

CODE	TYPE	Description
Q31400.	MyCLAMP BT	Portable amperimetric clamp with wireless communications for Low Voltage laying (50/60 Hz)
Q39970.	P-64	Insulating pole for Low Voltage cables. 6,4 m (1.6 m refoated)

MyCLAMP APP: Free application for managing fraud (downloadable from google play)
