

# SEM45 15000 /110V

SEM45 15000 /110V, Escala intercambiable para Voltímetro EM45, carril DIN

Código: M104V5. **DESCATALOGADO**

- > Fondo Escala: 15000 /110 V
- > Equipo: EM45

## Especificaciones

### Mechanical characteristics

|                                  |                  |
|----------------------------------|------------------|
| Size (mm) width x height x depth | 39 x 41 x 1 (mm) |
| Weight (kg)                      | 0,002            |

SEC/SEMSC-V
